| 36. Choose the best answer is                  | s someone whose job is to write  |
| software for a company's computers             |                                  |
| Systems analyst                                |                                  |
| Software developer                             |                                  |
| Project manager                                |                                  |
| Database administrator                         |                                  |
| 37. Choose the best answer is                  | s someone whose job is to design |
| develop and maintain databases.                |                                  |
| Database administrator                         |                                  |
| Software developer                             |                                  |
| Systems analyst                                |                                  |
| Project manager                                |                                  |
| 38. Choose the best answer. Have you done yo   | our homework?                    |
| Now  |                                  |
| Then   |                                  |
| Still  |                                  |
| Yet Yet  |                                  |
| 39. Choose the best answer. Find the Compon    | nents of Data Communication      |
| Message, sender, receiver                      |                                  |

| Computer, sender, receiver              |   |
|---|---|
| Sender, message, computer               |   |
| Receiver, message, computer             |   |
| 40. Choose the best answer              | is a piece of information that is         |
| to be transmitted from one person to a  | nother. It could be a text file, an audio |
| file, a video file, etc.                |   |
| A sender                                |   |
| A message                               |   |
| A receiver                              |   |
| Protocol                                |   |
| 41. Choose the best answer              | is simply a device that sends data        |
| messages. It can be a computer, mobile  | e, telephone, laptop, video camera, or    |
| workstation, etc.                       |   |
| A message                               |   |
| A sender                                |   |
| A receiver                              |   |
| Protocol                                |   |
| 42. Choose the best answer              | is a device that receives                 |
| messages. It can be a computer, teleph  | one mobile, workstation, etc.             |
| A message                               |   |
| A sender                                |   |
| A receiver                              |   |
| Protocol                                |   |
| 43. Choose the best answer              | is set of rules                           |
| A message                               |   |
| Protocol                                |   |
| A sender                                |   |
| A receiver                              |   |
| 44. Choose the best answer. Please clos | se the window you go out.                 |
| while                                   |   |

| or becomes involved in a particular activity.                      |
| Participants   |
| Conferencing   |
| Discuss  |
| Face-to-face   |

| 86. Choose the best answer              | means to like, choose, or want one      |
|---|---|
| thing rather than another               |   |
| Set up                                  |   |
| Deaf                                    |   |
| Prefer                                  |   |
| Remote                                  |   |
| 87. Choose the best answer              | means to formally establish a           |
| new company, organization, system       | , way of working, etc.                  |
| Prefer                                  |   |
| Set up                                  |   |
| Deaf                                    |   |
| Remote                                  |   |
| 88. Choose the best answer              | is someone who is unable to hear,       |
| either completely or partly             |   |
| <b>Deaf</b>                             |   |
| Prefer                                  |   |
| Set up                                  |   |
| Remote                                  |   |
| 89. Choose the best answer              | computer systems are available          |
| to users in another part of a buildi    | ing or in another place, for example    |
| through a network                       |   |
| Prefer                                  |   |
| Set up                                  |   |
| Remote                                  |   |
| Deaf                                    |   |
| 90. Choose the best answer. (Data)      | Compression is                          |
| a system that is used for only one purp | pose, e.g. for video conferencing only, |
| nothing else                            |   |
| a way to fit audio or video into a smal | ller space and use less bandwidth       |

| 95. Choose the best answer. If he had enou  | gh experience for the job, the boss  |
|---|--------------------------------------|
| him.  |                                      |
| could hire                                  |                                      |
| hire  |                                      |
| hired                                       |                                      |
| can hire                                    |                                      |
| 96. Choose the best answer. If I had your p | ohone number, I you.                 |
| call  |                                      |
| will call                                   |                                      |
| would call                                  |                                      |
| called                                      |                                      |
| 97. Choose the best answer. If you          | to the party, we would have a lot of |
| fun.  |                                      |
| come  |                                      |
| will come                                   |                                      |
| came  |                                      |
| are coming                                  |                                      |
| 98. Choose the best answer. If I a ric      | ch man, I would buy a home like      |
| palace.                                     |                                      |
| is  |                                      |
| were  |                                      |
| be  |                                      |
| are   |                                      |
| 99. Choose the best answer. If I            | English very well, I would           |
| look for a job in foreign companies.        |                                      |
